- councilwoman allen
- councilwoman price
- councilman zuber
- councilwoman mongo
- councilwoman soro
- councilmember uranga
- councilman austin
- vice mayor richardson
- speaker 4
- speaker 7

Agenda Items:

- item 26: report from public works

Summary:

the meeting focused on discussing item 26, which was brought to attention by public works. the recommendation was to adopt specification a-7193 and authorize the city manager to execute documents necessary for entering multiple contracts regarding infrastructure repairs and improvements throughout the city. this action would allocate a total annual amount not exceeding 40 million dollars for a period of one year, with an option to extend the contracts for two additional one-year periods at the discretion of the city manager. the process involved a call to the public, inviting comments from both in-person attendees and virtual participants via the raise hand feature or dial-in options. following the public comment segment, voting occurred amongst the council members, resulting in a unanimous decision to carry the motion (nine votes to zero). further, there was an opening for second general public comments towards the meeting's end, emphasizing public interaction and feedback.

Notes:

- the specific focus on infrastructure highlights the city's dedication to maintaining and improving its foundational services and structures.
- the unanimous vote reflects a cohesive understanding and agreement on the importance of the proposed infrastructure improvements.
- public engagement was encouraged through open comments, indicating the council's commitment to transparency and community feedback.
- the decision to allow for potential contract extensions signifies a forward-thinking approach to city planning and development.
