- report from financial management recommendation
- adobe resolution authorizing city manager to execute a contract with home depot usa
- furnishing and delivering materials on an as needed basis
- public comments on item 23

Summary:

the meeting held at longbeachcc on the 8th of september 2022 focused on a critical agenda item concerning the city's partnership with home depot usa for the supply of materials as needed by the city. the report from the financial management recommended the adoption of the adobe resolution, which authorizes the city manager to execute a contract with home depot usa. the contract delineated the terms for furnishing and delivering materials, with a total annual amount not to exceed 1.2 million dollars.

the meeting progressed with speaker 3 calling for public comment on the discussed item, allowing members of the public present at the meeting and those joining via zoom to express their views. speaker 5 facilitated this process, albeit no public comments were recorded, leading to the closure of the public comment period.

the voting session was initiated by speaker 3, with council members, including councilwoman allen, councilwoman price, councilman spinner, councilwoman mango, councilwoman sara, councilmember ranga, councilman austin, and vice mayor richardson, casting their votes. the motion was passed with an 87-0 vote, exhibiting unanimous support for the resolution and underscoring the council's commitment to ensuring the city has the necessary resources for its operations and services.

Notes:

- the meeting demonstrated strong council unity and public interest, though no public comments were made.
- the unanimous vote reflects broad support for the city's strategic partnership with home depot usa.
- the resolution's authorization implies a significant investment in the city's infrastructure and operational capabilities, with an annual financial cap of 1.2 million dollars to manage expenditure.
- the lack of public comment suggests either satisfaction with the council's deliberations or a need for increased public engagement in future discussions.
